

# ITS Norway

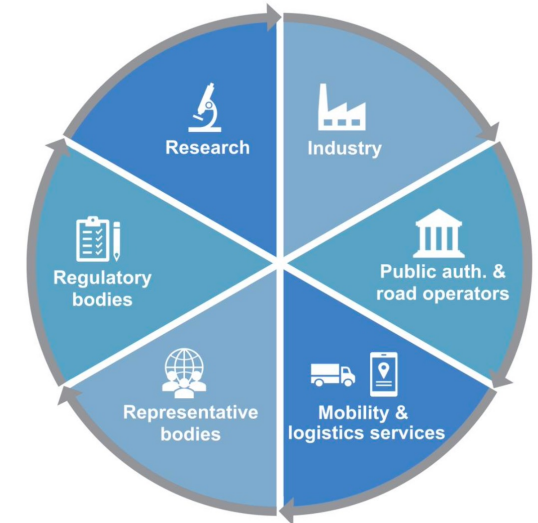

The CCAM partnership and ongoing CCAM projects

Runar Søråsen

## The CCAM partnership

- CCAM = Cooperative Connected and Automated Mobility
- Goal: European leadership in safe and sustainable road transport through automation
- 186 (+ 5) members from all over Europe – 6 Norwegian members
- 7 clusters structure the activities in the partnership
- Activities (examples):
  - Input to Horizon Europe research call topics
  - Strategic Research and Innovation Agenda (SRIA)
  - Contributing to standardisation

## Relevant CCAM projects – new knowledge based on real-life experience

- ORCHESTRA
  - Integration of connected and automated vehicles/vessels (CAVs) in Traffic Management
- AWARD
  - All weather autonomous mobility – extending the Operational Design Domain (ODD)
  - Focus is on logistics
- + *more in the pipeline*

## ITS Horizon – defining the next steps towards deployment

---

- National Horizon Europe network
- Funded by The Research Council of Norway and Innovation Norway
- Initiated fall 2021
- Goal: Increased participation from Norwegian stakeholders in Horizon Europe
- Focus: Horizon Europe Cluster 5 – destination 6
  - “Safe, seamless, smart, inclusive, resilient and sustainable mobility systems for people and goods thanks to user-centric technologies and services including digital technologies and advanced satellite navigation services”
    1. Connected, Cooperative and Automated Mobility (CCAM)
    2. Multimodal transport, infrastructure and logistics
    3. Safety and resilience
    4. Cross-cutting

Thank you!
