

Our first autonomous vehicle is now in the Norwegian Technical Museum

TEK
NISK
MUS
EUM

Ruter#

A road to a complete autonomous vehicle fleet

Transform
Complete system –
all vehicles autonomous

Piloting
Trials and marked
introduction

We are here

Start operations
First regular operations

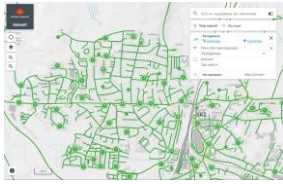

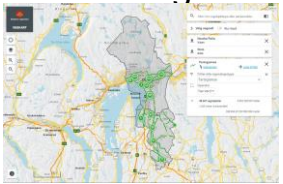

Scaling up
Regular contracts and
change orders

Ruter#

Transforming the transportation system:

Initiative	Technology demonstration	Business viability demonstration	Scaling demonstration	2030 ->
Geo area	Local area 	Municipality 	Oslo Region 	Oslo – Viken 
AV's total	4 – 20	20 – 250	~ 20 000	30 000 +
Timing	2021-2023	2022-2025	2024-2030	2030-

Ruter#

Thank you!
